Classic Cast Iron

Motor Specifications

240-Series

1/4 hp 115V 6A

Thermally protected and permanently lubricated

250-Series

1/3 hp 115V 5.2A

Thermally protected and permanently lubricated

Permanent Split Capacitor (PSC)

280-Series

1/2 hp 8A (115V) 4A (208/230V)

Oil-Filled; Thermally Protected

Permanent Split Capacitor (PSC)

290-Series

3/4 hp 10.4A (115V) 5.3A (208/230V)

Oil-Filled; Thermally Protected

Dimensional Data

240-Series

Height: 10"

Width: 9"

Weight: 21 lbs

250-Series

Height: 10-1/2"

Width: 9-3/5"

Weight: 20 lbs

280-Series

Height: 13"

Width: 10"

Weight: 29 lbs

290-Series

Height: 13"

Width: 10"

Weight: 31 lbs
